Hi, Laurel and Carl -- Hopefully, you have been able to catch your breath a bit after last week! Wanted to run the draft response letter to Enzi (attached) by you again so that we might be able to get it moving through concurrences and signature. I'm not sure if you have a yellow folder for it, but if not, no worries. I can get the 8P concurrences via email and print the letter out in my office for Shaun's signature. I'll use the Enzi letter to put the Simpson response together.

Many thanks!

Hi, Carl and Laurel (and Gail) -- Here's the inquiry from Rep. Simpson (R-ID) regarding WY RH we received before the shutdown. I can prepare the response to Simpson using the response we send to Sen. Enzi of WY. But, I'm not sure where that letter is at this point. I can resend you the latest version of the Enzi response I had as of Oct. 21 (?) when my regular email is back up and running. I'm using the Web app for email right now.

Also, Gail -- the Franken letter was signed today. I have the incoming and a copy of the reply on its way back to you. Will send you a pdf also, again, when my computer is back on line.

Thanks for all your help with these, as always!!

Sandy
